**Captain Rolv Chr. Olaussen**  
Master, *Rhapsody of the Seas*

**C**aptain Olaussen was born and raised in the small coastal village by the name of Lervik in the Oslo fjord, Norway. Following Norwegian and family traditions, he went to sea as a young boy. After mandatory school, he began his maritime career. He has been at sea ever since, except for time being ashore for maritime education. At the age of 17, he enlisted for three years in the Royal Norwegian Navy. At completion of his time in the Navy, he returned to the merchant marine and obtained an unlimited master's licence in 1968 at Norwegian Merchant Marine Academy. He served in all Deck Officer positions worldwide on a wide variety of ships types, from small cargo vessels to supertankers until 1980 when he joined the cruise industry. He has always had an admiration for the RCCL ships and the company image, was happy to have the opportunity to join RCCL in 1993 and is now pleased to be your Captain on the *Rhapsody of the Seas*.

**Tony Curtis**  
Hotel Director, Rhapsody of the Seas

**H**otel Director, Tony Curtis was born in Norwich, England & grew up living by the North Sea at the most easterly point. With his family owning catering establishments in the region he became involved in the industry at an early age. After graduating from University of Wales with a Diploma in Food Technology & Bachelor of Arts in Hotel Catering & Institutional Management in 1981, he headed to the London and the South West to commence his career in the industry. After invaluable experience with Sheraton, Four Seasons & Leading Hotels of the World, he decided to travel.

What better place to start than the Caribbean. In 1989 Tony arrived in the beautiful island of St Lucia as Food & Beverage Manager involved in the opening of a 5 Star Resort property, which he enjoyed so much he was sent to do the same in Grenada as Exec. Assistant Manager then Operations Manager in Trinidad & Tobago, and finally the Bahamas.

Whilst working in Nassau for an international resort company he used to watch the cruise ships arrive in port & became inquisitive admiring their efficiency of the operation and dedication and service of the crew & staff. Tony joined Royal Caribbean in 1997 as Food & Beverage Manager on the Nordic Empress later to be appointed as Hotel Director on the *Splendour of the Seas* and recently *Vision of the Seas* & *Rhapsody of the Seas*. Tony's only regret in life is not being related to the film star fame of the Hollywood actor of the same name!

He hopes that our 'family' on board can truly make this a 'vacation of a lifetime' with many more to come.

## Ketchikan, Alaska

Today's Forecast  
Next Port of Call

Cool & Overcast  
AT SEA

**Ketchikan** sits at the base of 3,000 foot Deer Mountain on Revillagigedo Island. Until the miners and fishermen settled in the 1880's, the mouth of the Ketchikan Creek was a summer fishing camp for Tlingit Indians. Today, commercial and recreational fishing are still important to the area. Ketchikan is known for its abundance of totem poles. Nearby Saxman Native Village and Totem Bight State Historical Park make Ketchikan the Totem Pole Capital of North America. Ketchikan is Alaska's rainiest city and averages 150 inches of rain per year.

The Ketchikan Visitors Center on the dock can supply you with additional information if you are on your own. Sights within walking distance include the famous "Creek Street", the historic former red light district, now converted into quaint shops and cafes (not to mention "Dolly's House", a restored brothel museum), and the Tongass Historical Museum and Totem Pole. A longer walk or short cab ride away is the Totem Heritage Center and Native Park.

### SMOKING POLICY

For the comfort and enjoyment of our guests, the *Rhapsody of the Seas* has been primarily designated as a non-smoking ship. However, we recognize that some of our guests smoke. Therefore, to provide an environment that also satisfies smokers, we have designated smoking areas in many of our lounges and on all open air decks. Royal Caribbean International kindly asks all guests to please observe the non-smoking areas and to refrain from smoking pipes or cigars in any of the public areas. These requests are made to provide a comfortable shipboard environment for everyone.

### VIDEO AND TAPE RECORDING POLICY

With respect to artists' rights, we kindly remind our guests that video and audio recording is not allowed during showtimes or in the casino during opening hours.

### T.V. SATELLITE RECEPTION

Due to conditions beyond our control onboard, the *Rhapsody of the Seas* satellite TV program availability can never be guaranteed. Individual network signal scrambling, weather conditions and ship's location may all affect satellite reception.
